

Federal laws require that employers hire only individuals who are authorized to be lawfully employed in the United States. In compliance with such laws, SMG will verify the status of every individual offered employment. In connection with these laws, all offers of employment are subject to verification of the applicant's identity and employment authorization, and it will be necessary for you to submit such documents as are required by law to verify your identification and employment authorization after an offer of employment is made.

Are you currently authorized to work for all employers in the United States on a full-time basis, or only for your current employer?
